Dear BOREISHA,

The bearer of this note
Kenneth Sayers is a very good lad, one
of our fraternity.

Any help that you, GROZ, the
Schulmans or any other of my old
Moscow friends can give him, will mean
a big contribution to our common cause.
Since he represents the "News Chronicle" an
interview with Beirut, or MORAWSKI
would be a big thing for British public.

Anyhow, do all you can to help him
and if you don't I'll see that an
Anders man gets hold of you.

I'm here in Belgrade seeing Blackbeard
Mikailovic on his last journey.

Greetings to all friends in Warsaw.

John Gibbons.
